A vertical photograph on the left side of the page shows a person standing on a rocky mountain peak. The person is looking out over a vast, hazy mountain range under a soft, golden light, likely at sunrise or sunset. The mountains are covered in green vegetation, and the overall atmosphere is serene and inspiring.

ABOUT US

Synergy Bulgaria is a Sofia-based NGO with mission to support young people in reaching their highest potential and becoming active members of society.

We're active **both on local and international level.**

Internationally our projects aim to address such topics as entrepreneurship, personal growth & quality youth work. We organise cross-European trainings and youth exchanges, as well as run an [online community](#) for NGO leaders and project managers.

In Sofia we aim to connect to a local community in numerous ways: from picnics & workshops to educational programs and storytelling events. Our activities are carried out in English and explore the topics of leadership, entrepreneurial mindset, mental well-being and personal growth.

WHAT IS **L.E.A.D.**?

L.E.A.D. with Synergy Bulgaria was created for young people who have aspirations, dreams and ideas, and are ready to grow together with us both personally & professionally.

As a volunteer you'll have a chance to develop your talents, get mentored by the team and contribute to the projects & daily tasks of our organization.

L.E.A.D. stands for:

Learn from & together with us: we offer wide expertise and give space to co-create.

Engage in Synergy activities, both online and offline, Sofia-based and not only.

Act bravely! We welcome proactivity and stepping up. Mistakes happen, and we see them as a part of great learning.

Develop yourself. If you're 100% in, it will happen anyway (we guarantee).

In 2023 you're the creator of your own experience!

VOLUNTEERS' ACTIVITIES

We will be happy to welcome volunteers who are ready to actively participate in the project and willing to learn. We will support you in creating your own learning goals and in the process of achieving them, as well as in creating your own personal project.

Your activities will/can include:

- facilitation in local workshops/storytelling events;
- projects' design and writing;
- assisting in coordination of Erasmus+ & ESC projects;
- managing social media and digital tools: FB, Instagram, AdWords;
- YouTube channel development;
- Besides, in 2022 we opened Synergy House: Volunteering & Retreat Center outside of Sofia where we carry out our summer activities. You're also welcome to join us there!
- developing a personal project.

WHAT DO WE PROVIDE?

TRAVEL COSTS & INSURANCE

Travel support according to Erasmus+ travel distance calculator, European Health Insurance

ACCOMMODATION & OFFICE

You'll be sharing a flat with other ESC volunteers and work in a cozy office in the center of Sofia

MONTHLY FOOD & POCKET MONEY

120 euros to cover your food costs and 130 euros per month for personal needs & expenses

MENTORING & LANGUAGE SUPPORT

You can learn Bulgarian on OLS platform, as well as you'll have a local mentor to support you during volunteering

ABOUT LIFE IN SOFIA & BULGARIA

The population of Sofia is 1,7 million people and it is home to 16 universities which means you'll have a chance to meet local youth and get connected to other ESC volunteers. Sofia has got an airport which means a weekend in Athens, Istanbul or even Tel-Aviv will be an easy thing to plan.

By the way, Bulgaria is a cheap country, so being a volunteer here is comfy and nice. And for party animals - yes, there are plenty of clubs and bars to go for a drink and meet new people.

VOLUNTEER PROFILE & SELECTION PROCESS

The project is open to young people aged 18-27 from EU countries and Ukraine interested in the project activities and supporting the mission of Synergy Bulgaria. The main criterion for the selection is motivation to participate in this specific project.

The duration of the project is 10 months from March to December 2023. You should be ready to commit for the whole period.

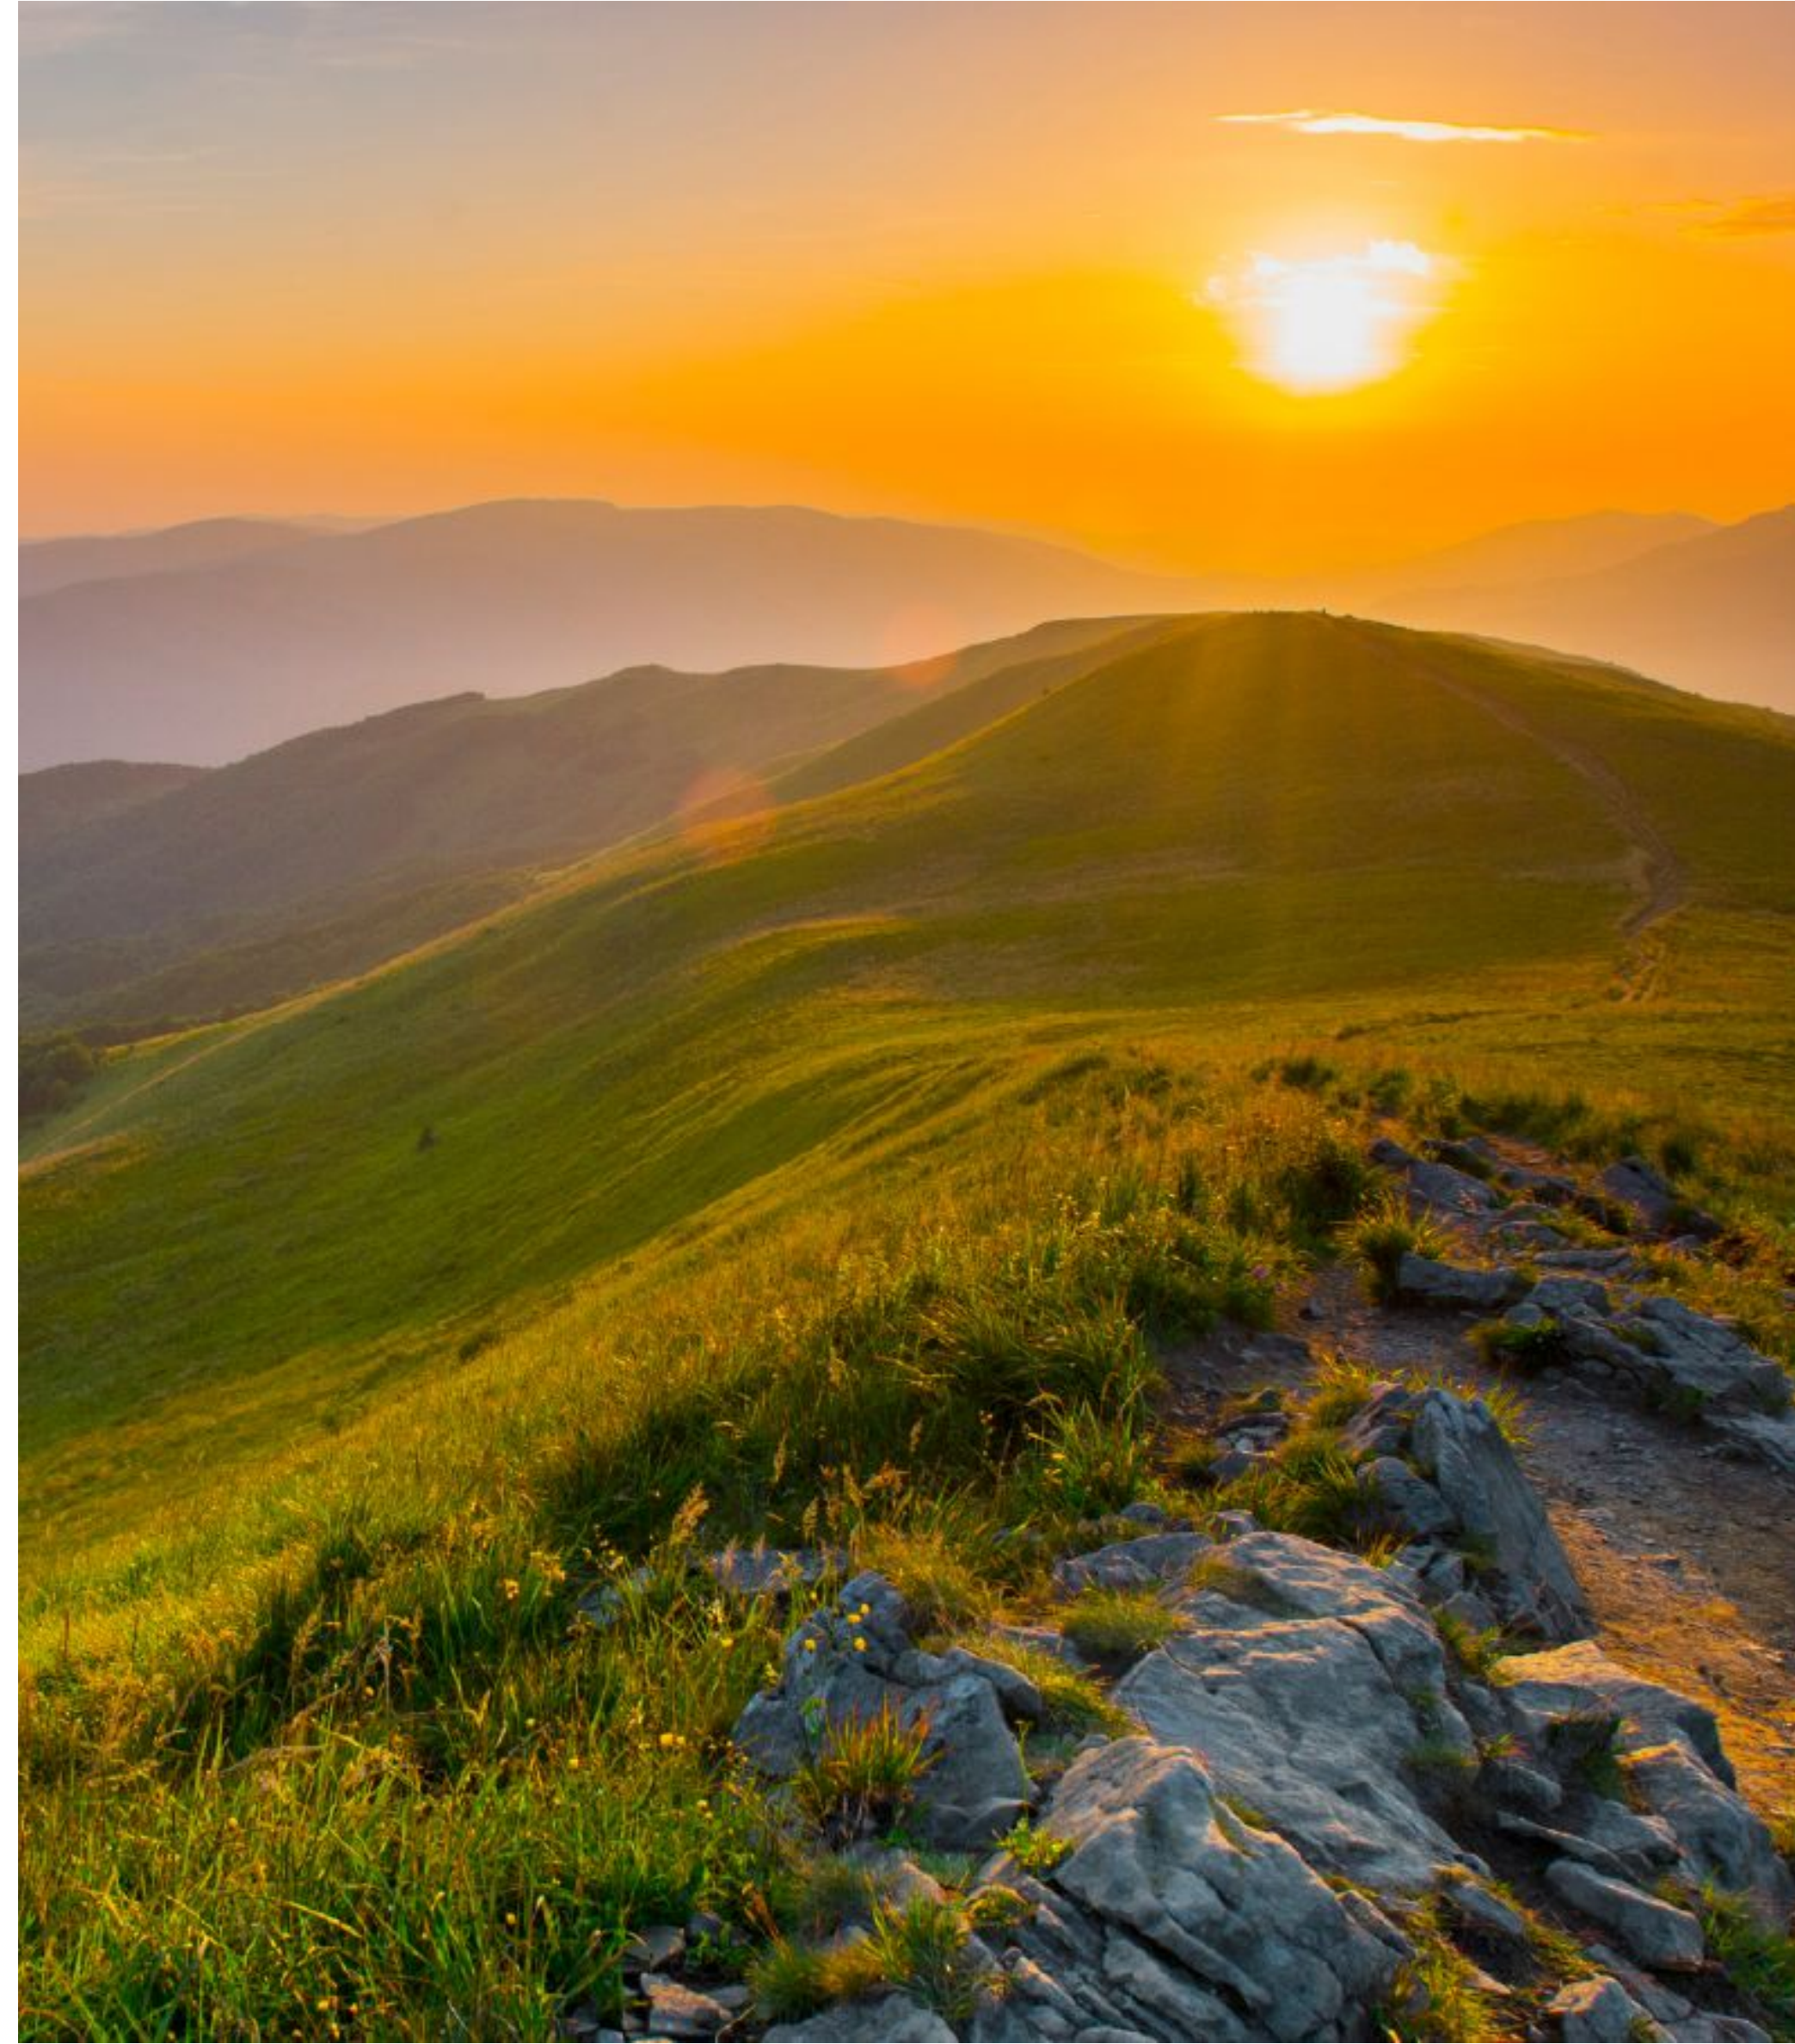

We're still open for 2 more candidates to join the team!
